Hi Andrew. No, I don't have any updates to share. As we discussed the other day, I do want to ensure that the FEIS letter does not slip off the radar completely, but it does not seem like something that needs to be discussed again with this group. Patty and I also cancelled the monthly Pebble NEPA/Permitting Team meeting today due to lack of agenda items.

Molly – let me know if you think there's anything from RAD's perspective to discuss next week. Thanks.
